

**IEEE Florida West Coast Section
Student Engineer of the Year – Mr. Nathan Quecan**

(March 24, 2009)

Mr. Nathan Quecan, Electrical Engineering student has been selected as the IEEE Florida West Coast Section "Student Engineer of the Year" for Outstanding Academic Achievements and Services to the Community and the IEEE Student Section. He received the award at the Tampa Bay Engineering Week Banquet held February 20, 2009.

The University of South Florida is one of the nation's top 63 public research universities and one of only 25 public research universities nationwide with very high research activity that is designated as community engaged by the Carnegie Foundation for the Advancement of Teaching. USF was awarded \$380.4 million in research contracts and grants in FY 2008/2009. The university offers 232 degree programs at the undergraduate, graduate, specialist and doctoral levels, including the doctor of medicine. The USF System has a \$1.8 billion annual budget, an annual economic impact of \$3.2 billion, and serves more than 47,000 students on institutions/campuses in Tampa, St. Petersburg, Sarasota-Manatee and Lakeland. USF is a member of the Big East Athletic Conference.
