

Spring 2014 Capstone Design Poster Competition Winners

TAMPA, Fla. (June 12, 2014) The Department of Electrical Engineering held its annual Spring 2014 Capstone Design Poster Competition on April 25 in the College of Engineering's Hall of Flags. Nineteen student teams competed against each other for first place. Three teams stood out to the judges, consisting of electrical engineering undergraduate students.

First place was awarded to the team Project CAPA comprised of electrical engineering undergraduates **Cristian Rodriguez, Artur Asatrjan** and **Alejandro Pinero.**

Second place was awarded to the team Convolution Reverbation which included electrical engineering undergraduates **Colt Hartstein, Taylor Morris** and **Dain Marvel.**

Third place was awarded to the team Southeast Competition with electrical engineering undergraduate Matthew Martin, Anthony Ross, Sean Murphy, Christopher Allemang and Robert Strand.

The next poster competition is scheduled for Friday, December 5, 2014, and will be open for public viewing.

The University of South Florida is a high-impact, global research university dedicated to student success. USF is a Top 50 research university among both public and private institutions nationwide in total research expenditures, according to the National Science Foundation. Serving nearly 48,000 students, the USF System has an annual budget of \$1.5 billion and an annual economic impact of \$4.4 billion. USF is a member of the American Athletic Conference.

The College of Engineering at the University of South Florida is ranked at #72 among public institutions by U.S. News &World Report's 2015 engineering graduate school rankings. The college serves 4,600 students offering ABET-accredited undergraduate degrees in seven programs, as well as eleven masters and nine doctoral degrees. The College is actively engaged in local and global research activities with foci on sustainability, biomedical engineering, computing technology and transportation and for the fiscal year 2013-14 had \$30.5 million in research expenditures. There are 124 tenured / tenure track faculty and 80 instructors and research faculty.
