MAR 26	EAS Bull-Arney Event

Corporate Ambassador Program

At USF's College of Engineering, philanthropy is the difference between the maintenance of a great college and the evolution of an outstanding one.

Welcome to the Corporate Ambassador Program

The USF Engineering Alumni Society (EAS) founded the Corporate Ambassador Program in 1998 to foster a closer relationship between College of Engineering students and the thousands of alumni working in the engineering fields. The Ambassadors serve as liaisons and the main points of contact between the engineering community at large and the College.

Through its rich academic and research programs, the USF College of Engineering offers the corporate community in the Tampa Bay Area a valuable resource for workforce development where everyone – alumni, students and faculty – benefits.

Corporate Ambassador Responsibilities

- Serve as liaison between the College and the company's USF graduates
- Serve as College's Ambassador to the corporations and community at large
- Promote corporate visibility within the College and the community
- Facilitate communications and feedback from the College's alumni
- Identify and recruit EAS members, engineers and society members to become Corporate Ambassadors
- Encourage involvement in EAS events
- Promote philanthropy and encourage participation in the College's fundraising activities
- Recruit sponsors for College of Engineering events
- Exude Bulls Pride

EAS Corporate Ambassador Advantages

- Networking opportunities within USF, College of Engineering and Tampa Bay Area events
- Interface with Engineering EXPO students and professional societies
- Student recruitment opportunities
- Mentor a student

EAS Membership Benefits

- Receive USF Magazine and College's Envision Magazine
- Library and athletic events privileges
- USF Federal Credit Union membership
- USF Bookstore discounts
- Discounts at The Claw and theme parks
- USF Theatre and Art Museum discounts
- Much, much more!

One low fee provides both the USF Alumni Association and the USF Engineering Alumni Society.

HEART OF GOLD

BULL-ARNEY

Companies that have participated in the Corporate Ambassador Program:

- Ash Engineering
- Bayside Engineering
- BGA - ConEdison Solutions
- CAE
- Cardno TBE
- Chastain-Skillman
- Colwill Engineers
- DRMP Engineers
- Gannett Fleming - Vanus Group
- Harris Corporation
- HDR
- Hillsborough County
- Honeywell
- HTNB
- Jabil Circuit
- Jacobs
- Kimley-Horn
- King Engineering Associates
- Kisinger Campo & Associates
- Leslie Controls
- McCormick Stevenson
- Mosaic Company
- Nielsen
- Parsons
- PBSEJ
- Professional Service Industries
- Progress Energy
- Raytheon
- Seminole Electric Cooperative
- SW Florida Water Management District
- Sypris Electronics
- Teco Energy
- URS Corporation
- WilsonMiller
